

## Part 2 :: Dress for Success Colossians 3:12-14

- » Describe a time when you discovered (too late), that you had put on something that didn't fit or match. How did you feel about it and what did you do?
- » Contrast the list of things in verses 5-9 with those in 12-14. How do they differ, and what are some of the results of each (list) being a part of our life?
- » (verse 12) Discuss Paul's description of us as Believers, and why it is important for us to remember this before "getting dressed"?
- » How do the following effect both others and ourselves when we practice them: Compassion, Kindness, Humility, Gentleness, and Patience
- » "Bear with one another" implies an action that requires great effort. Describe a situation where this might be needed, and what benefits come from it.
- » Why do you think Paul mentions forgiveness twice and links it to what we were first given?
- » (verse 14) What role does love play in "binding them all together in perfect unity"?
- » How does one show love to another when personal feelings may not be loving?
- » Which of these things listed above do you need to make a greater effort to "put on" each day? How will you do this?
